Christianity Unshackled: Are You a Truth Seeker? Harold Eberle

Christianity Unshackled follows the development of Western thought over the last 2,000 years, showing how Christianity has grown up side-by-side with Western philosophy. Great errors have resulted from that entanglement, primarily because Western philosophy has its roots in the ancient Greek worldview. After untangling that mess, Harold R. Eberle rebuilds a Christian worldview, laying biblical truths on the ancient Hebrew foundation. This yields a worldview which is liberating, answers the questions of today's society and stands up against the most fearsome attacks from Christianity's modern opponents.
