## **Dubliners (Harper Audio Edition)** James Joyce

James Joyce revolutionized twentieth-century writing with his "stream of consciousness" technique. While ingeniously innovative and experimental, he was also a keenly precise chronicler of the people, places, and sounds of his native Dublin. In *Dubliners*, a cast of 15 internationally famous stage and screen actors perform stories that make up a brilliant journey over a human landscape that captures the bleakest of despair to the most blinding of epiphanies. First published in 1914, the stories are as cogent and accessible as they are memorably touching. Both the spiritually deadening atmosphere that drove Joyce from his homeland and the irresistible emotional pull it kept on him to the end of his days become heartbreakingly beautiful. Each time you listen, the stories will become resonantly deeper.
