Genesis. A book of beginnings. “Genesis” is a Greek word that means “origins”. And this book tells us about the origins of most everything! From the beginning of the world itself, there is also the beginning of man, the beginning of marriage, the beginning of family, the beginning of sin, the beginning of work, the beginning of the first murder, the beginning of the different languages, and the beginning of the different nations.

And most importantly not only is the beginning of the evil that entered into this world recorded, but right from the start, this book gives the beginning of the message of hope. That message of hope is in the promise of a Deliverer that will rescue man from the evil that he not only finds in his world but also he finds in his own heart. A message of hope is given right here in the beginning in the third chapter of the first book of the Bible, Genesis. From that chapter comes the theme of the whole Bible.

If you too are wondering why the world is the way it is, if you are looking for a message of hope in this world, if you have always wondered what the Bible is about but never could understand it, the first eleven chapters of the first book of the Bible, Genesis is the place to start. It truly is foundational to all that we study in life.
