Japanese Tales (The Pantheon Fairy Tale and Folklore Library) Royall Tyler

Here are two hundred and twenty dazzling tales from medieval Japan, tales that welcome us into a fabulous, faraway world populated by saints and scoundrels, ghosts and magical healers, and a vast assortment of deities and demons. Stories of miracles, visions of hell, jokes, fables, and legends, these tales reflect the Japanese worldview during a classic period in Japanese civilization. Masterfully edited and translated by the acclaimed translator of *The Tale of Genji*, these stories ably balance the lyrical and the dramatic, the ribald and the profound, offering a window into a long-vanished though perennially fascinating culture.

Part of the Pantheon Fairy Tale and Folklore Library
