Spirit Warriors is about people who have learned from a 400 year old tradition to combine meditative focus and spirituality to become fearless in the defense of religious freedom, in performance at work, and in the pursuit of joy. Learn from a lawyer, business men and women, therapists, and teachers who relate their life experiences and describe those practices that led them to success. Simultaneously learn about an Indian religion that does not seek converts but provides some essential lessons for life. "Mr. Power's book provides the reader with ways to be successful in business and in life." - Alan Lavine, noted business author, author of From Rags to Riches.
