Cargo of Eagles (A Campion Mystery) Margery Allingham

Strange things are happening in Saltey. The little village on the Essex coast is invaded by bikers and a parade of peculiar visitors; a newly-released prisoner is rumored to be in the area, Mr Lugg has bought a bungalow there, the Saltey Demon is on the loose again, and Albert Campion is looking for the disappearance of thousands of Pounds of gold coinage.

This is the last of the Allingham novels, overflowing with evil arch villains and classic thuggery against the atmospheric backdrop of post war East London.

This is a stand-alone title within Margery Allingham's Albert Campion series. However, if you wish to read the books in the order that they were written please follow the link below to have a look at the order of publication:
