Meditations of Marcus Aurelius Antoninus Marcus Aurelius Antoninus

The Meditations of Marcus Aurelius Antoninus is one of the most important books of meditations and maxims ever written. It is doubtful that Marcus Aurelius Antoninus ever intended for this book to be published. Thus the reader will find that the wisdom expressed within these pages are free of pretense and utterly honest. Do not feel exasperated or defeated or despondent because your days aren't packed with wise and moral actions. But get back up when you fail, to celebrate behaving like a human-however imperfectly-and fully embrace the pursuit you've embarked on.-Marcus Aurelius Antoninus
