The Line Between Us: Teaching About the Border and Mexican Immigration Bill Bigelow

The Line Between Us explores the history of U.S-Mexican relations and the roots of Mexican immigration, all in the context of the global economy. And it shows how teachers can help students understand the immigrant experience and the drama of border life. But The Line Between Us is about more than Mexican immigration and border issues. It's about imaginative and creative teaching that gets students to care about the world. Using role plays, stories, poetry, improvisations, simulations and video, veteran teacher Bill Bigelow demonstrates how to combine lively teaching with critical analysis. "Exactly what we need," says writer Luis Rodríguez.
