## While Dreaming Of Diamonds In Wintertime: Poems KG Newman

In his debut collection of poems, *While Dreaming Of Diamonds In Wintertime*, KG Newman explores an upbringing dominated by the game of baseball. He takes us beyond the field, beyond the box score to places where unmet expectations, fractured relations, remorse, addiction and love all converge into a metaphysical and transient identity for both writer and reader. From mountain to desert, from vindictiveness to a humbled repentance, he underscores the contradictions of our lives and, in a way only a ballplayer hardened by failure can, illuminates the resilient yet flawed nature of the human spirit.
