Practical Arrangement: Summer and Travis (The Southerlands Book 3) Evelyn Adams

Summer Maddox has had horrible luck when it comes to men. The only thing good to come out of it all is her daughter. Even though she feels guilty that her child doesn't have a father figure in her life, Summer's learned from her mistakes and won't be repeating them

After three tours in Afghanistan, Travis Southerland has finally come home. His body is healing, but his heart still aches for his friends who died in combat. He doesn't know if he'll ever be whole, and the last thing he wants is to have someone depending on him for anything ever again.

After family events keep throwing them together, Travis and Summer can't deny the spark between them. Neither of them are interested in a relationship, but a practical arrangement might solve both of their problems and get their families off their backs. And just because they aren't looking for love doesn't mean it won't find them – if either of them is willing to take a chance.
