Woman: What the Enemy doesn't want you to know. A Biblical truth, forgotten for over 4 thousand years (Created in the Image of God Book 1) Dwyne Nelson

There has never been a more critical time for a woman to know her worth in the history of this earth, and to finally understand the truth in regards to her in the pages of the Bible.

When Dwyne tells you: “you have never seen the woman in her true light in the Bible,” it’s an understatement.

Beauty, patience, love and Godliness.

These are the qualities the woman possess; we will embark on a voyage of the holy scriptures, in a quest to find out what the Bible really has to say about this member of the human family.

The information contained in this book is biblical, outstandingly biblical.

What we will find will shock and amaze you; humble and elevate you; enlighten and strengthen you as you see for the first time what you are in the Godhead.

My one desire, is to ignite in you a pragmatical interest in the word of God. as we follow the lines and curves in the world of God to the many sequences he has mentioned in regards to the woman; love, wonder, and honor will manifest itself in a way that you had never seen before, and in a way that you never thought possible.

What God has told us in his word, regarding the woman is nothing short of humbling.

She is the life giver in the human family, and the plan of Salvation hangs almost entirely on her shoulders.

We will see who has degraded the woman in the human family and most importantly; why it was done.

We will see what is a god and a goddess in the word of God, and why.

John 17:3 And this is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent.

Our one aim in life should be to know the God we serve and his son, and there is only one example they have given us of themselves, and that is the creation account of the human family.

If we understand the human family correctly; we will have a correct notion of the God we serve.

This little book will do just that.

This little book is both thrilling and frightening, elevating and humbling; you will wonder why you have never seen it in this light before in the pages of the Bible.

As the author puts it: “These are hidden secrets in plain view, every page will shock you in amazement of the glory, honor and privilege you possess”.

What is Humanity?

What is a Christian woman?

Why was the woman created?

Who does she represent in the God family?

What is her worth?

What is her purpose in life?

Is the Bible partial in regards to the woman, comparatively to the man?

What is her role in the grand plan of salvation?

These; and like questions, are biblically addressed in this book.

The Author takes us down the pages of time; to the Genesis, in search of answers to these profound

questions.

May God bless and clarify everything you read and see in this little book.

A word from the Author: Dwyne is a layman, and a diligent student of the Bible, he takes a unique approach to the scriptures. He presents a birds-eye view of what the passages literally says.

His motto is: if you cannot literally understand what the text physically says, it is impossible to comprehend correctly what it spiritually means.

Being a Man, I often feel unqualified to have written this little book, but at the same time, I do perceive; it may have more force and value coming from a man in the Lord.
