[Left-hand edition - All coloring pages are printed on just one side of the page. Each design is on the *left* side when the book is open... no more reaching across the book to color with your left hand!]

Looking for easy mandalas with big, wide lines and bold coloring areas? They're here! 50 different mandalas. Bold lines. Bigger-than average coloring areas. Three levels of detail: Basic, Intermediate, and Elegant, throughout this lovely book.

Hate tiny designs and skinny lines? Do you like to color when you're a passenger in the car or on a flight? This is the book for you! These 50 bold, easy mandalas will help you relax, day and night. You won't need reading glasses. These are coloring pages you can see, even in low-light conditions.

Each of these 50 designs is unique, and printed on one side of the page. (The back of each page is blank so marker ink won't bleed through.)

These mandalas began as sketches, and then heavier lines were added. So, they won't be as pristine, sterile, and "perfect" as computer-generated mandalas. If organic designs are more your style, we think you'll like these easy-to-see mandalas.

At the back of the book, you'll find tips to make these mandalas more ornate and complex, if you like. These coloring pages are also ideal for special ed classes, senior citizen activities, special needs students, and art therapy.

(Also available in a right-hand edition.)
