I don't have time for this.

I always get stuck with the rich jerks who think they're better than everyone else. I know Charles won't be any different.

He's a crude man with a wandering eye and a sharp tongue. I know he watches me when I bend over to pick up things I drop.

Ugh. What a creep.

Yet...I'm so attracted to him. There's something animalistic about him and I bet it comes out in the bedroom.

There's only one way to find out.

Charles

People think I'm an arrogant bastard and they're right to think it.

I'm not arrogant without reason, however. I always get what I want and now I have my eye on my new assistant.

She's going to fight me; I know she is.

Poor thing, doesn't even know she's lost the game already. No one comes up against Charles Henry and gets away.

Especially gorgeous women like her.
