*John Dryden, Keith Walker*

**The Major Works (Oxford World's Classics)** John Dryden, Keith Walker

John Dryden (1631-1700) was the leading writer of his day and a major cultural spokesman following the restoration of Charles II in 1660. His work includes political poems, satire, religious apologias, translations, critical essays and plays. This authoritative edition brings together a unique combination of Dryden's poetry and prose--all the major poems in full, literary criticism, and translations--to give the essence of his work and thinking.

The collection includes the poems, *MacFlecknoe* and *Absalom and Achitophel* as well as Dryden's classical translations; his versions of Homer, Horace, and Ovid are reproduced in full. There are also substantial selections from Dryden's Virgil, Juvenal, and other classical writers. *Fables, Ancient and Modern*, taken from Chaucer, Ovid, Boccaccio, and Homer, his last and possibly greatest work, also appears in full.
