Howards End, A Longman Cultural Edition E. M. Forster, Douglas Mao

Art and commerce, nature and industry, idealism and pragmatism, women and men: the struggles, partings, and reconciliations between these pairs drive the narrative of one of the great English novels of the twentieth century. One of the newest additions to The Longman Cultural Editions series, *Howards End* presents the complete text headed by an inviting introduction, and supplemented by helpful annotations; a table of dates to track its composition, publication, and public reception in relation to biographical, cultural and historical events; and a guide for further inquiry and study.
