Lindsay Wilson

Job (The Two Horizons Old Testament Commentary (THOTC)) Lindsay Wilson

In this commentary Lindsay Wilson shows the book of Job to be a coherent literary work that addresses this question: Is it possible for humans to have genuine faith in God regardless of their circumstances? Wilson argues that Job's bold, sometimes questioning cries to God are portrayed as legitimate expressions of trust for a righteous person in adversity.

Through critical exegesis of the text, Wilson focuses on the message of Job and its implications for practical ministry, examining such key issues as suffering, justice, lament, and faith. He also touches on various pertinent topics in Christian ethics, including individual character, wealth, suicide, and the environment. In a final section Wilson offers guidance on using Job as a resource book for pastoral care and prayer, and he discusses how to teach and preach from the book of Job.
