The Art of Helping VI, Student Workbook Robert R. Carkhuff

The Art of Helping begins by tracing the evolution of helping. It then presents a functional helping model, describing the contributions of both the helpee and helper. The body of the book teaches observable and measurable helping skills. Finally, Helping IV points to the future of helping. It culminates with a look at the future growth and development of helpers. It offers the skills we need to be effective helpers in the Age of Information.
